

Andi Sultan Al-Ayyubi

Software Developer

Padang, Indonesia | +6283862644921 | andiisultaan@gmail.com | [LinkedIn](#) | [Github/Portfolio](#)

SUMMARY

Enthusiastic Full Stack JavaScript developer with a strong foundation in Information Technology and hands-on experience gained through an intensive coding bootcamp. I have a solid ability to learn quickly, understand complex concepts, and translate them into clean and efficient code. My technical skill set includes JavaScript, PHP, React, Node.js, Express, and GraphQL. Passionate about applying my technical expertise, problem-solving skills, and continuous learning mindset to contribute to impactful development projects.

EDUCATION

Hacktiv8 <i>Full Stack JavaScript Immersive Program</i> (Transcript)	Tangerang, Indonesia <i>July 2024 – November 2024</i>
